

Do you have ringing in your ears?

A revolutionary hearing instrument that delivers relief from your tinnitus

For millions of people, tinnitus is a deeply unsettling condition. ReSound Live[®] TS is a new solution that combines state-of-the-art hearing instrument technology with an innovative tinnitus management system.

ReSound Live TS features an intelligent sound generator that produces an individually customized sound, shifting your focus away from your tinnitus over time. The generated sound is tailored to your unique needs. The sound generator in ReSound Live TS delivers the right sound for every listening situation, ensuring maximum relief from tinnitus while maintaining speech audibility.

Drianis Duran, AU.D.
Board Certified Audiologist

AN AUDIOLOGIST LIKE NO OTHER

We are an audiology practice dedicated to providing state-of-the-art hearing care and comprehensive vestibular evaluations. At Gulf Coast Audiology we welcome the opportunity to talk with you and to listen to your hearing needs. The decision to invest in better hearing is one of the most important you will ever make. Because of this, our goal is to provide you with compassionate care, the most current hearing aid technology, and professional service. The owner herself, Dr. Drianis Duran, will always be the one to work with you.
